

Only Hope Prison Ministries - Our Biblical Training Offers One-Day Seminars

Since we began Only Hope Prison Ministries in 2011, we have held 31 One-Day Seminars for correctional Chaplains and volunteers. We have had them in California, Florida, Illinois, Nebraska, and New Jersey. They can be arranged anywhere in the USA.

In these one day training events, we give free materials, three or four messages on a correctional ministry theme and have a question and answer time. If you would like to schedule one, call (360)722-2429 or e-mail Rich Hines at: rich@onlyhopeprisonministries.com

Below is a sample schedule, taken from a recent One-Day Seminar.

When such a Seminar is scheduled, the sponsoring Chaplain or minister secures us a location, provides advertising, lunch for attendees, and commits to gathering at least 25 attendees.

Only Hope Prison Ministries will provide the teaching, printed programs, some free study books, Certificates for the attendees and a memento verse plaque - suitable to the teaching that day.

We do not charge attendees for the training but would like to have a love offering taken to help offset the expenses connected to the training.
