## Prison Ministries

The **Chaplains Training Academy** (CTA) has been established to serve Chaplains and trainees by providing training in Biblical expertise, as well as a **Credential** validating and sanctioning them as approved and fit for gospel ministry within a correctional facility.

The program consists of four individual training Quarters. If needed, evening or week-end classes can be scheduled. Enrollment will be from 12 to 20 students per session. Homework and outside course work will be required.

Upon satisfactory completion of an individual Quarter session, a student will earn five units.

A CREDENTIAL sanctioning the trainee as an approved "Fit for Biblical Correctional Chaplaincy" minister, will be given upon the completion of 20 units.

See the **sample** Credential to the right, below. Normally it takes 18 months, but a student must finish in 30 months, to earn their Credential.

Rev. Rich Hines, who was a correctional facility Chaplain for 21 years, serves as the Director of Chaplain Training. He prepares monthly internet messages called the "Chaplain's Corner."
